### TOOLS AND IDEAS FOR RECORDING DETAILS

- **# Participating:** The number of club **members** participating.
- **Volunteer Hours:** Hours are the amount of time that members worked on club sponsored and approved projects and programs. This includes the time spent telephoning, running errands, writing letters, reports, etc. Travel time may be included, EXCEPT for travel time to and from regular club meetings.
- **In Kind Donations:** The monetary value for goods and services provided to project.
- **Dollars Donated:** The monetary amount given to projects and programs.
- **Dollars Spent** are costs incurred to achieve Advancement Plan goals.
- **Dollars Raised:** The monetary amount of funds raised resulting from Fundraising Project.
- **Recording project details throughout the club year** will make the reporting and award entry process much more efficient, accurate and less stressful.
- **Have an “Award Writing Party”.** Invite Committee members and Chairmen to collaborate and write reports and award entries. Make it fun, productive, educational, and a learning experience for members.
