

Membership is the Gateway... Engage Members Every Day!

The General Federation of Women’s Clubs inaugural National Day of Service was held on September 30, 2023. The response was amazing! Dedicated to establishing an annual day of service, clubs nationwide came together to help raise awareness and solve a domestic problem. “The inaugural GFWC National Day of Service is an exciting opportunity for our clubwomen to demonstrate their volunteer know-how,” said the GFWC International President, and we did! September 28, 2024, is the 2nd Annual GFWC National Day of Service. Stay tuned for results!

Many of you know the impact that Legislation, Public Policy, and Resolutions has had on our Federation. As a non-partisan and non-denominational organization, we have focused on issues involving women, children, and families. As early as 1904, we campaigned for the passage of the Pure Food and Drug Act. We have advocated for seat belt laws, equal pay legislation, and recently, in North Carolina, to raise the lawful age to marry to sixteen. Together, our voices are powerful.

As members of one of the oldest and largest women’s volunteer organizations in the world, we are united in volunteer service. Over 60,000 members in every state and twenty countries work to improve the lives of others in their local communities. GFWC members annually donate an average of \$23 million on behalf of more than 195,000 projects, and volunteer more than six million hours! Wow!

Beyond the framework for five Community Service Programs, GFWC has two Special Programs. The first is the Signature Program: Domestic and Sexual Violence Awareness and Prevention, and the second is the Juniors’ Special Program: Advocates for Children. Also, each administration the GFWC of North Carolina President selects a President’s Special Project, which keeps the organization fresh and welcomes new opportunities and ideas for service.

The 2024-2026 GFWC-NC President’s Special Project; “Find your Beat, Join the Rhythm” highlights the

importance and value of the Arts in schools, in therapy, in everyday life, and in our communities to promote cohesion and inclusiveness. Arts touch hearts, open minds, and change lives. GFWC members have those same abilities! The Junior Clubwomen are busy with the Director of Junior Clubs Project, *Discover the Magic: Enchanting Minds and Inspiring Art*. They are promoting and supporting the idea that every child is an artist and inviting children to step into the spotlight and shine.

We have had famous members over the years, from the suffragists who worked tirelessly for the Women’s Right to Vote, to First Lady Eleanor Roosevelt, who advocated for the poor and disadvantaged, to Margaret Chase Smith, who was the first woman elected to both Houses of Congress.

The Women’s History and Resource Center (WHRC) was founded by GFWC International Past President Juanita Bryant (1982-1984), in 1984, to collect, preserve, and promote the history of GFWC and women volunteers. It documents the contributions of GFWC clubwomen from 1890 to the present through the GFWC archives, related special collections, and publications. Past President Bryant, also a GFWC of North Carolina Past President, and the Women’s History and Resource Center, located in Washington DC, celebrated the 40th Anniversary of its opening on May 1, 2024.

Our State Federation’s biggest fundraiser, Corporate Champions for Women and Children (CCWC) will take place on November 7, 2025. Established in 2017, CCWC recognizes companies who distinguish themselves

through community involvement in support of programs that benefit women and children. Funds raised at the event will allow GFWC-NC to continue to champion

FOR WOMEN & CHILDREN
