

**September 30, 2024**

Our hearts are with the victims of Hurricane Helene and all those impacted across North Carolina, thousands of whom are without cell service and/or power. We will work to support them in every way possible.

If you have any specific information on clubwomen who have been affected, please let me know. Thank you so much to all those who have reached out offering support. It is times like this when you truly realize the power and sisterhood of GFWC.
